Doug McClary a pigeon fancier to the core. Pre-eminent pigeon author, judge and breeder of Show Pigeons in both the UK and Australia.

These photos were taken in 2006 after Doug immigrated to Australia so as to be closer to family.

Doug was more than happy to share his time and knowledge with the members of the Morning mist Pigeon Racing Centre. Not only generous with his time, but Doug also donated one of his magnificent birds to the 2006 Mallee Classic Charity Pigeon Auction.
