

YEAR TEN

"The 2007 Best Western Mallee Classic is only a couple of sleeps away."

Over the period that the Classic has been running we've met many people, some good, and naturally some bad. The one saving grace is that no matter how bad some are, they cannot match the friendships and loyalty of those that enjoy the challenge of the Best Western Mallee Classic. Thanks to all our supporters and may you have a good race.

This year the race has been slightly interrupted by Thor and his mates at the weather department but never mind..if you're organised you can get around most obstacles. The birds have been training well and we're looking forward to a great race.

CHARITY AUCTION

This year the support for the McCallum Disability Services Group has again been outstanding. Thankyou to those who have donated birds and assistance. The Group are worthy of our support and the auction offers an opportunity for pigeon enthusiasts to buy quality birds at a reasonable price. The Internet bidding has about 16 hours to run..so have a look, you never know there may be something that you're looking for!!

*****IMPORTANT NOTICE*****

If you can't get to the Classic and want to bid on any of the birds, please ring either Barry 0417 362 712 or Duncan 0421 168 344 prior to 10.00am on 16/09/07 to lodge your bids.

PIGEON BALL

The annual ball will again take place at the Windermere Hotel on Saturday the 15th of September from whenever. Entertainment, food and lots of frivolity are on the menu!!

CATERING

This year the local services clubs have found themselves over committed due to the local football leagues, subsequently all drinks will be on a BYO basis. Food will still be offered to those interested.
